When the bills of the members of the Committee has been C/Signed & the respective Chairman, the bills of the members of the Conference — which is a larger body and from which the Committees derive their power — requires the C/Signature of an officer higher than that of the Secy. The bills may be C/Signed & the Resident of the Conference or the C/Signature may be that of the Secy to act on behalf of the Resident. To pass the bills on the C/Signature of the Provincial Secy would perhaps be looked upon with favor & the members themselves apart from the amounts that bills of the same gentlemen would be C/Signed & the Chairman when they happen to sit as members of a Committee & the Provincial Secy when they assemble as members of the larger body the Conference —
